

The Ouija Board: "Game"

By

Owen Milewski

INT. UNSPECIFIED HALLWAY AND ROOM

A phone is shown on a desk. A notification shows up that reads, "It is time". The clock on the phone shows it is 3:00 AM. A hand picks up the phone.

A backpack is shown on the ground. The same hand picks it up.

Owen (teenage guy) is shown walking towards a door with the bag in one hand and the phone in the other.

Owen opens the door and enters the room. He takes a seat in a chair at an empty table. He places the bag on the ground next to the chair.

Owen pulls out a cross, holy water, (bible?), and candle(s) out of the bag and places them on the table.

Lastly, he pulls a Ouija board out of the bag and places it in the center of the table.

OWEN  
(silhouette) Oh ghosts and spirits  
that may occupy this room! I wish to  
communicate to you through this here  
board!

INT. ROOM

Owen gets up and turns the lights off. He lights the candle(s).

Owen prays and crosses himself, presumably in preparation to use the Ouija board.

Owen pulls a monopoly game piece out of his pocket and places it on the Ouija board (at letter A)

He pulls out a stack of game cards and places them on the table.

Owen pulls two dice out of his other pocket and rolls them on the board.

He continues to roll the dice, read the game cards, and move the game piece until he has finished the game (when the piece reaches the number 0).

OWEN

Double sixes! Let's go!

Owen rolls the dice and finishes the game by reaching the number 0.

OWEN

Finally! The ritual is complete!  
Right, now where are the spirits? I  
thought this was supposed to contact  
ghosts or something? Spiritual beings,  
show yourselves!

Nothing happens. Owen looks around a couple of times in hopes of seeing a ghost.

OWEN

(looking sad) Fine. No spirits for me.

Owen gets up from his seat and begins to walk out of the room.

Owen's shadow is visible on the wall behind him as he leaves. The shadow of a person is next to his shadow on the wall, but there is nobody else in the room with Owen.
